

# Become a Fight Stroke Champion Business

A Fight Stroke Champion Business is a small to medium enterprise that commits to a modest, regular donation to Stroke Foundation, to save lives and disability from stroke.

Your regular business donation will benefit all Australians, starting with your employees, colleagues, customers and their loved ones, friends and community.

## Learn the F.A.S.T. signs of STROKE

**F**ACE  
*drooped?*

**A**RM  
*can't be raised?*

**S**PEECH  
*slurred or confused?*

**T**IME  
*is critical!  
Call 000.*

If you see any of these signs  
**Act FAST call 000**  
**(triple zero)**

Recognising a stroke and receiving the right treatment within the right time can be the difference between life and death, and between recovery and a life changed forever by the impacts of stroke. It's that simple.

A stroke occurs every

**19 minutes**  
in Australia

Only **37%** of strokes are treated **in time**

for **best possible outcomes**

Stroke is on the **rise** in

people aged **35**  
to **54 years**

Stroke is a leading

cause of **disability**

Become a Fight Stroke  
Champion Business and  
start saving lives today!

## Make your business a Fight Stroke Champion Business

### Our promise to you:

- › We will be transparent with your funds, so you know how your support is spent.
- › We'll keep in touch to show you the impact you are making and invite your feedback.
- › We won't share your details with other charities and marketers.
- › We'll publish our Annual Review and audited financial reports each year on our website.
- › We are here to support your business to champion the fight against stroke.

**Thank you. Together we can help all Australians to think F.A.S.T. and act FAST, saving lives and disability from stroke. We invite you to get in touch with us today.**
