

STROKE 2018

Bridging the Continuum

International Convention Centre, Sydney
7–10 August 2018

THE ESSENTIAL MEETING FOR ALL PROFESSIONALS INVOLVED IN STROKE CARE

The **Stroke Society of Australasia (SSA)** 28th Annual Scientific Meeting and the 14th **Smart Strokes** Australasian Nursing and Allied Health Stroke Conference combine to bring you **STROKE 2018**.

STROKE 2018 with its theme "*Bridging the Continuum*" will bring together all professionals involved in stroke care. The conference will cover **all aspects of the continuum of stroke care** from: stroke prevention, acute stroke interventions, rehabilitation products and services, nursing essentials, scientific research, equipment plus much more.

REASONS TO ATTEND

- Pre-conference workshops
- Top keynote speakers
- Access to new research ideas
- Connect with industry experts at the conference exhibition and industry symposia
- Various opportunities to network and exchange ideas
- Discover everything beautiful and iconic Sydney has to offer!
