

## Clinical Council membership

### Guidelines for Expressions of Interest

Stroke Foundation is seeking to fill two vacancies on its Clinical Council. Candidates must be from Allied Health, Nursing, Medical (acute, rehabilitation and paediatric) professions and must submit a written application to be considered.

Stroke Foundation values diversity and brings together leading clinicians, academics and researchers in the area of stroke. Members are invited to join based on their expertise, availability and willingness to meet the requirements outlined.

There is no application form. Your application should include information about:

- › Your expertise and ability to provide advice and clinical input on clinical guidelines, strategy, clinical audit or public health and policy documents.
- › Why you want to join the Clinical Council
- › Your ability to perform the duties and responsibilities outlined in the position description
- › How you will represent Stroke Foundation.

The written application should be no more than two pages long.

Stroke Foundation will consider each applicant's ability to perform the duties and responsibilities in the position description.

A minimum of two nominations for each position is required for consideration. Stroke Foundation reserves the right to extend the closing date for applications where two nominations are not received.

Only short-listed candidates will be contacted for interviews.

Please apply before 5pm on 6 October 2022 by sending your application to Ryan Sweeney at the email address below.
